MANAGING STUDYING AND STRESS

Often, we are surprised by how quickly finals week rolls around. High levels of stress during finals can have a negative impact on a student mentally, physically, and emotionally. In order to avoid episodes of extreme frustration and worrying, read these five tips to help you manage the stress and studying that comes along with finals in a healthy and proactive manner:

1. Use a reward system
2. Make studying more creative
3. Block online distractions
4. Speed up recorded material
5. Schedule an appointment with an academic coach
