ACADEMIC SUCCESS SERIES:
How to Be a Successful Rutgers Student
Fall 2014

Plan Your Success
Learn how to set goals, determine priorities, and make a plan that will help you to maintain a healthy, balanced lifestyle.

Read to Succeed
Develop effective reading strategies to help you learn more from your textbooks and assigned readings.

Study Smarter, Not Harder
Review a variety of study strategies that activate various types of learning and can be used across disciplines.

Focus, Concentrate, and Stay Motivated
Learn techniques to improve focus, concentration, motivation, and memory.

Less Stress and More Success
Develop strategies for managing academic and non-academic needs to promote physical and emotional well-being while improving academic performance.

Take Tests at Your Best
Conquer test anxiety and learn strategies for preparing for and taking exams.
